## Company history/background

The company is engaged in the supply and installation of all types of glass. It carries out projects for both private and business clients, with an emphasis on the business segment. The activities are currently conducted through a private limited company. The assets consist of business inventory, machinery, various vehicles, and stock. In addition to the entrepreneurs, the staff consists of installers, commercial staff, and administrative employees. The company is situated in a prime location on an easily accessible business park. The business premises are very spacious, making expansion of activities highly feasible at the current location. The company has been established for a long time, has a good reputation in the region, and an excellent track record.

## Other

This concerns a share transaction. The company's shares are being offered for acquisition and are being transferred "cash and debt free". The property is owned by the holding company and is for sale or for rent. The most likely effective date is January 1, 2025. The transaction date could then fall somewhere in the first half of 2025. The potential buyer could be either an MBI candidate or an existing company in the sector wishing to relocate or expand its activities.
