## Company history/background

The company has been in existence for more than 25 years and has a workshop and business premises for the mounting, dismounting, and storage of summer and winter tires.

This concerns a regional tire dealer specializing in the supply, storage, and maintenance of tires and rims for private individuals and businesses.

## Unique selling points

The company's distinctiveness and growth are largely due to the extensive product range and high level of service. There is a characteristic long-term relationship with the loyal customer base.

## Other

This proposition is of interest to strategic buyers and MBI candidates. In the event of serious interest, the information memorandum will be made available after signing the confidentiality agreement.
