Unique selling points

Due to its long history and professional and friendly approach, the company is known far and wide as a reliable partner, where you still receive fast and professional service at competitive prices.

There is no competitor within a radius of approximately 15 km, which means that customers are more or less forced to purchase their products through this company.

By producing several periodicals and publishing our own weekly magazine, the annual turnover is virtually fixed.

Other

Owner wants to sell the company 100%, but is willing to provide the buyer with sufficient guidance and introduction to existing customers.
