Confidential

The company is an IT firm active in the AIDC market with an excellent reputation. Active for many years, it has established a solid name in the market. A no-nonsense approach and a "promises are promises" mentality ensure a loyal client base. Located in rented premises in an easily accessible location. The key USP is the fact that they possess sufficient in-house knowledge and expertise to take on all-in projects, thereby relieving clients of their burdens.

Unique selling points

The team is thoroughly trained with the mindset that simply doing good work is not good enough. Supplemented

by an extensive, flexible pool of reliable and high-quality professionals.

Other

- Excellent company culture.
- The focus is not on growth, but on quality.
- Regional and (inter)national customers are supported with hardware, services, support and maintenance contracts, and MDM.
- Excellent name in the market.
- They have an extensive range of solutions for both the logistics world and manufacturing companies.
