Company history/background

Global niche

An entrepreneur and team want to develop a specialized travel and lifestyle agency.

It concerns a global niche characterized by:

- adventurous holidays

- distant lands
- financially strong target group

From fully catered to completely worry-free

The agency in question wishes to offer travel/lifestyle packages focused on safety, quality, convenience, and enjoyment. However, customization outside of the packages always remains possible.

Unique selling points

3, 4 and 5-star options

In addition, “all” locations worldwide have been mapped, and some of them have also been visited.

Customers can choose from 3, 4, and 5-star options, where all aspects can be arranged prior to the trip.

Other

Capital requirement

In addition to the realized banking interest, the company is seeking a financial partner who acquires the opportunity to become a co-shareholder.

The sought capital, totaling 130,000 euros, will primarily be spent on the construction of its online platform and further costs in the start-up phase.
