Company history/background

The company is a full-service roofing firm specializing in flat roofs. The company holds a strong regional position among private individuals, businesses, institutions, and housing associations. The company has been in existence for 20 years.

The business is being offered for acquisition due to the owners reaching retirement age. Additionally, there is no succession available within the immediate vicinity to successfully continue the business.

In addition to the owners, the company has four roofers on permanent staff.

The company is established in leased commercial premises. The company is located in the Northern Netherlands.

Unique selling points

The company has built up a good reputation and a stable customer base over the years.

Other

The company's turnover has shown an upward trend in recent years. The acquisition price will be provided upon request. A sales memorandum will be provided after the signing of a confidentiality agreement.
