Company history/background

It concerns a company based in Central Brabant with a long history.

The geographical location means that relatively little interference is experienced from competition.

Sale of traditional bicycles and e-bikes, with a focus on a range of premium brands.

In addition, the company offers the possibility for repair and maintenance.

Unique selling points

The company excels in providing expert advice, an excellent maintenance/repair department, and extensive service.

Other

The company is considered interesting for both a strategic buyer and an ambitious MBI candidate.
