### Company history/background

For years, this shop has been a household name in this town. Thanks to its attractive location, it has secured a firm place in the region's fashion scene. What began as a passion for stylish women's fashion has grown into a beloved store where personal attention, quality, and a sense of fashion take center stage.

- The annual rent amounts to €43,200.
- Sales floor area 150 m2

This is a women's fashion specialty store with a contemporary and versatile collection. In this store, you will find fashion suitable for every occasion – from casual to chic.

They select the brands and items with care, so that you can always discover the latest trends and timeless classics with them. The team is happy to assist you with personal style advice for a look that truly suits the client.

## Unique selling points

What makes this store unique is the combination of wearability, affordability, and style. The collections are curated to appeal to every woman – regardless of age or style preference.

They believe that fashion should not only be beautiful, but also comfortable and accessible. This is how we create a shopping experience where every customer feels seen and inspired. The business is interesting for both a start-up entrepreneur and an entrepreneur looking to expand with an additional branch.

## Other

The business is interesting for both a start-up entrepreneur and an entrepreneur who wants to expand with an additional branch.
