Company history/background

Concerns the acquisition of inventory, vending machines, customer base, and fixed revenue.

Company started March 2006, selling due to age.

Sale of coffee machines, privately branded coffee, sale of confectionery/soft drinks via vending machines at schools, companies, etc.

The company is run by 2 people, operations take place from its own warehouse (not included in the takeover)

price).

Unique selling points

The company offers ample growth opportunities. The revenue and operating result already achieved by just two people can be considered exceptionally good. There is plenty of potential for significant growth with the right effort and motivation.

Other

The owner is willing to fully train the buyer, potentially continue working part-time for the first year after the sale, and train the successor and familiarize them with the market.
