### Company history/background

In the beautiful shopping center of Amstelveen, this candy store is being offered for sale operating entirely within a new franchise store concept. Stadshart Amstelveen is being restyled and expanded into a shopping center comparable to The Mall of the Netherlands. This is your chance to benefit from the improvements the center is undergoing in a store that looks fantastic and has enormous growth potential. It is important for this store that the entrepreneur works full-time in the shop themselves for the first few years to maximize returns.
