Company history/background

The company was founded in 2022.

The company is a Dutch supplier of beer, cocktail, and wine dispensers for both B2B and B2C. Our patented system guarantees a perfectly functioning, robust dispenser that your customers can enjoy for years to come. We deliver throughout the Benelux via our webshop. Suitable for beach clubs, restaurants, cafes, sports

canteens, hotels, events, play areas, etc.

Unique selling points

Our concept gives customers a unique experience and ensures, among other things:

- More revenue per table
- The solution to the staff shortage
- Durable and easy to handle
- Very fast ROI
- Super hygienic
- Always chilled
- Option to personalize the dispenser
- The only officially approved dispenser by European inspection services

Other

Our marketing is primarily conducted via well-known social media channels, as well as industry-related magazines/platforms and trade fairs. Currently, our sales are handled exclusively through our webshop. We are looking for a driven entrepreneur who can turn this concept into a success story. Everything is ready to start immediately, so no other investments are required besides the acquisition price.
