Company history/background

The company has been operating in its current location for almost 30 years and has more than proven its worth. This makes it a familiar face to customers in the area. The total floor space is 240 m², of which 180 m² is sales floor space. The building is owned by the partners. The annual rent is €30,000 excluding VAT.

A cool and contemporary collection of men's and women's fashion is offered. Innovative and inspiring collections

are added weekly. There's also a webshop where the basic collection can be purchased 24/7.

Unique selling points

Thanks to the company's established and trusted position, customers are happy to visit the store for personal and honest advice. The staff prioritizes customer service. Furthermore, the company is conveniently located in a shopping center in Zetten with ample free parking.

Other

The company is very interesting for a starter in fashion and/or an entrepreneur who wants to expand.
