Company history/background

The acquisition includes all inventory, goodwill, and stock. The company has been in business for many years and has built an excellent reputation.

Specializing in freshwater aquariums, tropical plants, fish and supplies.

The business is located in a rental property of approximately 200 square meters.

Unique selling points

The company distinguishes itself through good brand recognition, excellent expertise and reliable advice.

There are multiple growth opportunities regarding marketing, webshop expansion, and/or maintenance contracts.

Other

This business is an ideal entry point for an entrepreneur with an affinity for the aquarium world. The shop is ready to go and requires no additional investment.

The owner is selling due to age and is willing to carefully transfer all knowledge to the new entrepreneur.
