## Company history/background

### Offer

This concerns an offer in which two limited companies are being offered in one integrated deal. It involves a company active in project furnishing in the southwest of the Netherlands (B2B) and an interior design store (B2C) established in the southwest of the Netherlands.

Both companies focus on supplying and installing all types of hard and soft floor coverings, with the exception of wooden and stone floors. In addition to supplying and laying floor coverings, both companies also focus on supplying and installing window decorations, such as outdoor sun protection.

## Description of the company

The main characteristics of both organizations are:

- Active in both the B2B and B2C markets
- Located in the southwest of the Netherlands
- Project Furnishing: 3 permanent employees + 1 freelancer, Interior Shop 1 employee and the Managing Director who works for both companies
- The premises for the project furnishing are owned property (the DGA's preference is that it be rented for a fixed period)
- The interior design shop premises are a rental property, whereby the lease agreement is being taken over.

## Unique selling points

### Reason for sale

The entrepreneur has brought the company to where it is today. Retirement age is drawing ever closer for the current owner, and there is no successor. The entrepreneur has therefore decided to sell the company now.

### Details

It is open for discussion, in mutual agreement, for the Director-Major Shareholder to remain on for an extended period after the sale to ensure a smooth handover of operations and clients.

## Other

### Financial key figures

The combined turnover of both companies amounted to approximately 1.6 million in 2025. The combined EBITDA was around €286,000 in 2025.

### Possible reason for purchase

This company is particularly interesting for strategic buyers seeking expansion in this part of the country, acquiring a strong market reputation and thereby realizing further growth based on solid revenue. Additionally,

this profile may be of interest to MBI candidates with the right knowledge and experience, for whom financing needs to be secured in advance.
