Company history/background

Due to the age of the current owner, a unique opportunity has arisen to take over this solid firm. The firm manages a strong and very reliable SME portfolio. They do not perform audits.

All activities associated with an accounting firm, including but not limited to: annual accounts, VAT returns, tax matters, etc.

Unique selling points

Given its long-standing relationships with solid SME entrepreneurs, it can be stated that this firm offers a new owner every potential to grow with existing clients as well as with new ones.

Other

The current turnover is €850,000, and this is also the price being asked for the acquisition.
