Company history/background

As an entrepreneur with this franchise formula, you are stepping onto a moving train, but retain full freedom to make a big impact locally. We have laid the perfect foundation for you:

- Proven concept: You benefit directly from a fast-growing brand and a kitchen formula that is truly profitable.
- Maximum support: From marketing and purchasing to full administration, logistics, and installation. We

handle the complete back office so you can focus fully on the customer.

- **Transparent revenue model:** Thanks to our competitive purchasing terms and clear agreements, you get the maximum return from your own business.
- **Move-in ready showroom:** You step into a beautifully renovated, well-established store that is ready to launch immediately. No start-up hassle, just business from day one.

As the face of this branch in Rotterdam, you exude hospitality. You are responsible for:

- Inspiring customers and taking them along in our honest, transparent story.
- Building, coaching, and motivating your own sales team.
- Running a healthy, local operation and safeguarding the image of your store.

Unique selling points

Who are we looking for?

- **Hands-on mentality:** You are commercially driven, results-oriented, and like to roll up your sleeves.
- **Passion for hospitality:** Just like us, you believe that buying a kitchen should be a celebration, without fine print.
- **Investment capital:** You can participate with equity starting from €25,000.
