Company history/background

The company has a rich history and has been active for more than 55 years. Initially a textile shop, it eventually grew into a contemporary women's fashion store. The company is a household name in the city and the surrounding area. The stylish woman will find what she is looking for in this specialty store, which, based on a unique vision, is always distinctive and contemporary. Eight years ago, the company relocated to one of the best

shopping streets in the Netherlands. (Since 2017, the company has occupied new premises).

This concerns a rental property with a total surface area of 185 m², of which 150 m² is retail floor space.

The company offers a wide and varied range of women's fashion for the stylish woman. She is guaranteed to find what she is looking for here, as the company, driven by a unique vision, is always distinctive and contemporary. Innovation and current labels are closely monitored.

Unique selling points

The team is highly driven and enthusiastic, and knows how to convey this to their clients. Great value is placed on expert advice. Additionally, the company has a client base of over 16,000 customers and is active on social media such as Facebook and Instagram.

Other

The company is very interesting for a fashion startup and/or an entrepreneur looking to expand.
