Company history/background

The company is a specialized personnel service provider for public organizations in the Northern Netherlands, offering services in the areas of secondment, recruitment & selection, mobility, career development, and training.

The Director-Major Shareholder wishes to eventually retire from the company and free up more time for other activities.

The company is a specialized secondment and recruitment agency for government organizations in the Northern

Netherlands. The company focuses on issues related to secondment, recruitment & selection, career development, mobility, and training, among others. It has built a strong position through its sector knowledge, substantive quality, and regional network relationships. Its area of operation covers the Northern Netherlands.

Unique selling points

The company distinguishes itself through its specialized focus on public clients in the Northern Netherlands, combined with long-standing client relationships and demonstrable sector knowledge within the public domain. An important part of this position is that the revenue base is anchored in multi-year contracts with public clients, contributing to continuity and revenue security. Additionally, the existing contractual position offers scope to place additional professionals with existing clients should new staffing needs arise.
