Company history/background

The current entrepreneur is the third generation of the family business.

The company focuses on the client seeking advice and targets the mid-to-high segment.

The company has a distinctive offering through a mix of well-known strong brands and distinctive labels. The company is active online on social media and is characterized by strong customer loyalty.

Unique selling points

A mix of commercial brands (mid-segment) and specialty brands (higher segment) that aren't found on every street corner. Service-oriented, resulting in tremendous customer loyalty.

Other

The business is interesting for both a start-up entrepreneur and an entrepreneur who wants to expand with an additional branch.
